2019 Camp Assistance Form Due: April 1, 2019

Kishwaukee Family YMCA Summer Camp Scholarship Information

Financial Assistance for YMCA Summer Camp is available thanks to donations to our YMCA Annual Campaign and the Kishwaukee United Way. The Kishwaukee Family YMCA offers quality programs designed to benefit children of all incomes, genders and backgrounds. It is part of our mission, within the available resources of our YMCA to provide these services to individuals regardless of their inability to pay. A set sliding scale is used to determine how much assistance is awarded and is based on financial need, so families who apply for camp scholarships must demonstrate economic hardship.. We will give out partial scholarships in varying amounts. Parents or guardians will be responsible for any remaining portion. Please note all applicants must have a YMCA membership.

Please fill out the attached information and turn in your completed scholarship application and additional information as soon as possible to the YMCA front desk. Financial Assistance is granted by need on a first come, first served basis and made available to the extent possible based on funds donated to the Kishwaukee Family YMCA by the Strong Kids Campaign, grants, and United Way. The YMCA has limited funds available for Summer Camp Scholarships.

The financial aid submission deadline is March 31st. Applications will be reviewed upon submission, and all award letters will be mailed on or before May 1st. If funds are still available after May 1st then we will continue to accept applications until funds are depleted. Please allow up to 4 weeks to process your application. If you have not received a letter or a phone call after 4 weeks, and it is after May 1st, then please do contact me on the status of your application.

Thank you,

Melissa Johnson

Youth Development Director
Kishwaukee Family YMCA

Email: mjohnson@kishymca.org

CHECKLIST FOR COMPLETION: Please include the following or your application will be considered incomplete.

- Application filled out completely
