

## **6-Month Family Membership**

When you join the Y, you're committing to more than simply becoming healthier. You are supporting the values and programs that strengthen your community. At the Y, children learn what they can achieve, families spend quality time together, and we all build relationships that deepen our sense of belonging.

The gym transforms bodies, and the Y transforms lives!

The Y is a place to belong and a place where:

- Families come together for fun and quality time
- Children and teens play, learn who they are and what they can achieve and are accepted
- Adults connect with friends, pursue interests and learn how to live healthier
