

Q: Are there other ways I can help with the fundraiser?

A: Absolutely! The Bike-A-Thon comes together with the help of many dedicated volunteers. Even if you are riding you can still help out before or after the ride (or even during!). Register as a volunteer and you will be contacted via email by the Healthy Living Director or reach out to Cami Loving directly at [camil@kishymca.org](mailto:camil@kishymca.org).

Q: What is my fundraising minimum?

A: Each biker's goal is to raise \$50. You will receive a ride incentive for accomplishing that goal!
