

Dear Parents / Guardians from Camp Elburn (Blackberry),

There has been a recent change to our distributor requirements with Northern Illinois Food Bank. Unfortunately, Camp Elburn (Blackberry), does not meet the requirements for getting free or reduced lunches for our campers. Going forward into the remainder of our session, we are asking all parents to please pack a lunch and snack everyday for your camper. Please do not pack or include anything that contains peanut ingredients, for example peanut butter, peanuts, Reese's peanut butter cups etc. This will go into effect starting June 13, 2022, and continue through the summer. We are sorry for the inconvenience this may have caused for our campers. Please reach out to us with any questions or concerns.

Sincerely,

Aaron Confer
